6:30 a.m. Registration, 7:45 a.m. Shotgun Start

What

Join us for another chance to play with the pros! The tournament's new name reflects pro golfer Bob Gilder's commitment to the event. He'll again invite his fellow pros to the Pumpkin Ridge courses for an outstanding day of golf for a wonderful cause!

The Platt Golf Challenge is a best ball scramble golf tournament. Sixty-three foursomes will compete for the lowest score over 18 holes of golf at the two beautiful courses at Pumpkin Ridge Golf Club: Witch Hollow Course (private side) and Ghost Creek Course (public side). There will be team photos, a longest drive and closest to the pin contest. Before the tournament begins, there is a continental breakfast and a warm-up. A reception, awards luncheon, and auction complete this fantastic event.

About Cystic Fibrosis (CF)

CF is a life-threatening genetic disease that affects approximately 30,000 children and adults in the United States. Fifty years ago, children with CF usually did not live long enough to attend elementary school. Today patients are living to a median age of 37.

About the Cystic Fibrosis Foundation (CFF)

CFF is the primary sponsor of critical research that is making tremendous advances toward a cure and control of the disease. Virtually all of the approved CF drug therapies available today were made possible because of CFF. CFF is recognized by leading financial publications as one of the most efficient organizations of its kind.

Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive sputum culture for Burkholderia cepacia complex shall not attend this event. This is because B. cepacia can be passed between individuals who have CF through close proximity. B. cepacia infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there might still be some individuals with B. cepacia in attendance. B. cepacia is not a risk for otherwise healthy individuals. For alternative ways to participate and for information about this policy, please contact the CF Foundation at (800) FIGHT-CF or visit our Web site at www.cff.org. Consult your CF care center physician with medical questions.
