

Format:

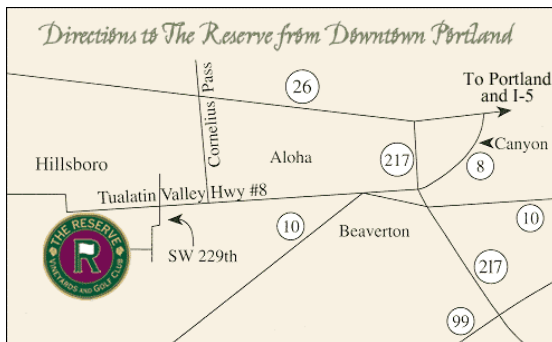

4-Person Scramble:

- A team consists of four players in the same group.
- On each hole, each player hits their own drives and the best tee shot is selected by the team.
- Each member then plays a second shot from the spot where the selected tee shot lies (within 12 inches, no closer to the hole). The best ball process is repeated until the ball is in the hole.

The Scramble Format is used to promote a “fun environment where ability is secondary to having a great time. There will be lots of exciting events and giveaways on the course and our goal is to support and bring awareness to a great program. You also have the chance to mingle with your friends from Oregon Golf, Entercom Radio Group and Reps from the top golf manufacturers.
